Message from the Colts Committee (Junior Fundraising)

The Junior Fundraising Committee previously known as the Colts Committee is dedicated to supporting the junior teams, players & families & raising funds to support South Gawler Football Club. Committee members are parents and supporters that are interested in helping to provide continuing low cost subscriptions for our children as well as providing benefits in the form of discount meals, trophy nights, purchase of trophies and medallions and the provision of required sporting equipment. Secondly a portion of the funds realised goes directly back into the club to assist with infrastructure repairs, maintenance & equipment. Importantly we provide support for our Junior Coaches and Team Managers & our players.

We are an informal committee reporting to the senior South Gawler Football Club. Parents/Caregivers from all junior grades (U9 to U17) please, join the committee, offer suggestions and ideas on fundraising and functions or allowing us the benefit of your experience if you feel we could do something better. Fresh ideas are welcomed with opened arms!

Parents Participation

The Club relies on continual parent support to ensure that all official duties are carried out. We would like to think that you would want to be involved in some small way.

Canteen / BBQ

In order to be successful we need your continued support through volunteer work on the Canteen or BBQ and any fundraisers organized – eg raffles, chocolate drives, kytons, quiz nights. At the beginning of each season a roster is prepared for both the canteen and BBQ. We realize that life is particularly busy and time is very precious to each and every one of us. We try to maintain that you will only be rostered on for two 2 hour periods once a year for each BBQ and Canteen and ask that you are flexible and swap with another parent if you are unable to attend at the time appointed for you or be prepared to fill in for others when they cannot be available at short notice. Of course should you wish to participate more do not hesitate to let us know. If you see we are struggling, don't be afraid to “lend a hand”.

Game Days

There are also positions that need filling on game days – Team Manager, Time Keeper, First Aid (Level 1 training the SGFC will pay this) & water and Goal Umpire. Without these positions filled each week the game cannot commence. Please approach your Team Manager to find out how you can assist now and again with these duties before they have to come and ask you. *** Note under 9 & 11 parents are required to help setup goalposts & boundaries at all home games.

PLAYERS NO FOOTBALL BOOTS TO BE WORN IN THE CLUB HALL.

ENSURE THAT YOUR CHILD DOESN'T CLEAN HIS BOOTS AGAINST THE CLUB WALLS USE BOOT SCRAPERS PROVIDED

We understand that you may not have been involved in a local sporting club previously and that club involvement may be a new concept to you. South Gawler Football Club has very few paid employees. The majority of those involved in assisting your child to play football at this club are volunteers, many of whom have their own families and full time work commitments. These people volunteer because they believe children involved in a sporting club have the chance to learn and develop skills and personal qualities that will assist them later in life. South Gawler Football Club believes that your child should be able to reap the rewards that sports can provide at a reasonable price. Please keep this in mind when dealing with the club.

Expenses

With the advent of Modified and Little League Football (U9-U13) at the club we have large expenses. Every year new Guernsey's have been bought for at least one of the teams to date. Then adding training and equipment, electricity for oval lights, lease & insurance costs, new trophies and medallions and trophy nights...Well you can imagine that is can be expensive!! Fees for the junior teams are set as low as we can for our families, an only assist towards some of our costs for players to get on the field.

If you compare our fees with other sports you would be shocked at the difference in fee structure. Most children playing Soccer can be expected to pay at least \$250+ in subscription fees and many junior football clubs charge \$150+. The Committee has restructured the fees this season and has continued to keep them as low as possible.

Although from time to time fees will be increased, South Gawler Football Club tries to maintain affordability for everyone. BUT to continue to do this **we need you** as parents to support us by honoring the rosters and helping with fundraising & functions. By being present in the club you will find that you make some great friends and enjoy your time while you are here.

Please feel free to contact any of the Colts Committee or Club Committee members named on the back of this Handbook. We would love to meet you and help you enjoy the rewards of becoming involved in your child's sporting life while being sensitive to the time commitment

you can afford. Remember “Many Hands Make Light Work”

All of us on the Junior Committee look forward to meeting you and your family and enjoying the fun your child will have playing football for South Gawler Football Club.

Regards,

Janet Hewett – Treasurer & Junior Fundraising Director

Aims and Objectives of the SGFC Colts Committee

Aim

Primary aim of the Colts Committee is to raise funds for Junior (Colts) football in the South Gawler Football Club (SGFC).

This enables the SGFC management committee to keep membership & subscription at an affordable cost.

In Achieving its aim the Colts committee raises its funds by one or all of the following means:

Raffles

BBQ at homes games

Any other concept as determined by the Colts Committee (eg chocolate drives, quiz nights, kytons fundraisers)

Objectives

Primary objectives of raising funds is to ensure that:

The Social activities/environment of Colts footballers are adequately catered for

The promotion and development of Colts football in the club is an ongoing concern

In liaison with Club Management SGFC is promoted through the local school system.

Where / when appropriate, assist Club management in the maintenance/upgrading of club facilities and equipment.

Closer links between Colts parents and SGFC are developed.

Strategies

The above objectives may be achieved by funding/promoting the following:

Social Activities

Annual Trophy night
Major social outing
Minor social outing
Players teas after training

Promotion and Development of Junior Football

Through Club Management
Supporting Auskick training on Sundays
Supporting special coaching sessions/clinics as determined

Through Junior Coaches
As required, provide encouragement/support in fostering general development and team spirit
Provide funding for special training sessions, equipment, gymnasium work, indoor pool activities and specialist training.

Develop ideas/programs/incentives

Linkage between Colts Parents and SGFC

Encourage Colts parents to become members of SGFC
Ensure there is a good liaison between Colts Committee and SGFC
Player/parent welcoming BBQ at Beginning of season
Invite parents of Juniors to Colts Committee Meetings
Provide an open communication line between Colts parent and SGFC via newsletters, board sheets.

Hot Weather Policy

Hydration

Avoid commencing training dehydrated. Consume plenty of water for several hours prior to training.

Approximately one hour prior to commencement of training, consume 500ml of water or sports drink regardless of the temperature.

Consume 200ml of water every 15 minutes during training.

Consume 500ml to 1 litre of water or sports drink after training and continue to drink until fluid losses are replaced.

Training in Hot Conditions

The coaching staff recognises the need to modify training conditions for the safety of our players if there is a possibility of heat stress.

If the temperature is less than 30 degrees players will participate in training with drink breaks taken approximately every 15 minutes.

If the temperature is between 31 and 35 degrees training will be modified to incorporate extra drink breaks. The length of training and the type of training drills used will be modified to minimise the possibility of heat stress.

If the temperature is 36 degrees or above at 3:30pm, based on the weather update broadcast on 5AA, training will be cancelled and players will not be required to attend.

The wet-bulb globe temperature and the method recommended for its use by Sports Medicine Australia will be taken into consideration when planning the activities to be undertaken at training.

Any player who is feeling the effects of the heat during a training session is to inform a member of the coaching staff immediately.

Protection: Players are encouraged to wear a cap to training and to apply 30+ sunscreen.

South Gawler Football Club Junior Player & Parent/Guardian Code of Conduct

All players, parents/guardians, coaches, officials, supporters and committee members have a responsibility to conduct themselves in an appropriate manner when representing the South Gawler Football Club (SGFC).

Below is the code of conduct for junior players and parents/guardians:

Junior Player Code of Conduct

Play by the rules
Don't argue with umpires
Be a team player
Be a good sport
Treat all players fairly – The same way as you expect to be treated
Cooperate with your coach, team-mates, opponents and officials
Play for fun and enjoyment
Avoid ugly remarks based on race or gender
To be eligible for team selection, you must be a financial member of the SGFC
Conduct yourself properly at training, in the clubrooms, at other clubs and whenever representing the SGFC
Respect and look after all training equipment
When not selected to play, be proactive and volunteer your time – Run water, operate the scoreboard, etc
Be involved in all fundraising activities.

Parent/Guardian Code of Conduct

Encourage the participation of your child, but do not force them
Focus on your child's efforts rather than winning or losing
Encourage your child to always play by the rules and accept the umpire's decision at all times
Never ridicule or yell at a child for making mistakes or losing
Set a good example – Applaud good play, whether by your team or the opposition team
Remember, children play sport for their enjoyment – Not yours
Positively recognise the contribution of voluntary officials, coaches and administrators
Never publicly disagree with officials – Raise any issue in private
Support all efforts to remove verbal, racial and physical abuse and to settle disagreements without resorting to hostility or violence
Support club officials to foster high standards of behavior for our club and association
You are not permitted to approach your child during ¼, ½, ¾, breaks on game days whilst the coach is addressing the players
You are only permitted to talk to U15 & U17 officials during a game if your child is injured or in the case of an emergency
Monitor your child's behaviour in the clubrooms – It is not a child minding centre
Do not offer anyone under eighteen years of age alcohol under any circumstances.

Taking Images of Children

The South Gawler Football Club acknowledges that in South Australia under the Summary Offences Act 1953 a person must not engage in indecent filming. Images of children and adults should not be used inappropriately or illegally.

Our club requires that members, wherever possible, obtain permission from a child's parent/guardian before taking an image of a child that is not their own and ensure that the parent knows the way the image will be used. Our club also requires the privacy of others to be respected and disallows the use of camera phones, videos and cameras

inside changing areas, showers and toilets. Photographs taken with permission are not to be offered for sale or financial gain at our Club. The Club will engage the services of a Professional team photographer for this purpose.

If the club uses an image of a child it will avoid naming or identifying the child or it will, wherever possible, avoid using both the first name and surname. We will not display personal information such as residential address, email address or telephone numbers without gaining consent from the parent/guardian. We will not display information about hobbies, likes/dislikes, school, etc as this information can be used as grooming tools by pedophiles or other persons. We will only use appropriate images of a child, relevant to our sport and ensure that the child is suitably clothed in a manner that promotes the sport, displays its successes, etc.

Mandatory Reporting and Child Safe Environments

New legislation commenced in 2008 regarding Child Protection in Sport and this affects all sporting clubs in S.A. The South Gawler Football Club has created a policy in relation to this and it has been ratified by the executive committee.

All persons who deal with children Under 18 are mandated to notify child abuse and we are required to provide a safe environment for children to succeed in football.

Persons such as coaches, team managers, runners and trainers for the junior grades at South Gawler Football Club will be required to complete a Police Check. It was voted at the executive committee that all persons holding the above positions from U9-U17 at South Gawler will be required to participate.

Detailed information can be found on the Play by the Rules Website at HYPERLINK "<http://www.playbytherules.net.au>" www.playbytherules.net.au or please feel free to contact a member of the committee for more information.

Treatment of Umpires

The abuse of umpires will not be tolerated at the South Gawler Football Club.

Umpires in the junior grades are generally still learning the intricacies of our great game. It is understandable for them to make mistakes as part of the learning cycle. We don't abuse our own players for dropping a mark or kicking a point, so we will not accept umpires being abused for making mistakes. Umpires always attempt to make the correct decision according to the rules of the game, their experience and where they are positioned on the ground. Umpiring is a hard job with so much occurring simultaneously. Treat umpires as you would like to be treated.

Our great game cannot exist without them.

U9/U11/U13 Football Policy

The welfare and development of all players is amongst the highest priorities of the SFGC

All players will be treated fairly and without favor at all times subject to this policy
All players are required to attend training once a week from 4pm at South Gawler Football Club. If they are unable for training they will advise U9/11/13 team management as soon as practical.

All players must be financial members of South Gawler Football Club. For eligibility to be picked to play, financial membership is required before the first official game of the BL&GFL season.

Players progressing to U11/U13 will be rotated on a fair rotation basis

All players will conduct themselves properly at training, in the clubrooms, at other clubs and when ever representing South Gawler Football Club.

All players must respect all training equipment, other players, coaches support staff and umpires. No abuse, either verbal or physical towards any of the above will be tolerated. The U9/11/13 team management will keep statistics available to parents of registered players to verify this policy upon request.

Parents / guardians are required to approach officials in calm, non aggressive and constructive manner at all times.

Positions that players are selected in are entirely at the discretion of the U9/11/13 management.

This policy is binding and any concerns / issues must be directed to the South Gawler Football Club President – Garry Barker or U9/11/13 Junior Football manager Russell Smith in the first instance. Contact Numbers at back of Handbook

South Gawler Football Club reserve the right to vary this policy at any time

The understanding of all players and parents is requested. The Under 9/11/13 management has a difficult task which they manage fairly and equitably at all times. If mistakes are made they are unintentional, honest and non discriminator. All football staff has the full support, backing and confidence of South Gawler Football Club management.

It is the genuine opinion of South Gawler Football Club that all players are welcome at our club where they will be respected, nurtured and treated professionally. We believe that South Gawler Football Club is on the edge of successful era in which today's U9/11/13 teams will play a part.

However if a player, having considered this policy, requests a clearance to another club and is currently financial, South Gawler Football Club will not prevent him/her and will have our best wishes. South Gawler Football Club would rather see the player enjoying the game of Australian Football in every ones best interest.

Under 15 Policy

Introduction

The South Gawler Football Club aims to recruit, foster and develop junior players from the local area and provide them with a pathway to senior football and/or the SANFL.

With this in mind we have introduced a club game plan that will be implemented at Under 15, Under 17½, Reserves and A Grade level.

At Under 15 level a strong focus will be placed on establishing and developing our game style, whilst tactical structures at centre bounces, stoppages, our kick ins and opposition kicks ins will be gradually introduced.

Squad Selection

The size of the squad will be monitored by the coaching staff with the following factors taken into consideration when determining the final size of the squad:

- The number of players that will have school football commitments throughout the season

- The number of players that potentially may have commitments with the Central District Football Club at Under 16 level

The club aims to have approximately 50% of players progressing to the Under17½ Squad the following season, whilst approximately 50% of players are retained to form the nucleus of the Under 15 Squad the following season.

The squad will be selected on merit. In the event that two players of similar ability are competing for one spot in the squad, if one of the players has previously represented the club then this player will be given selection priority.

A final squad will be announced a minimum of two weeks prior to the commencement of each season.

Team Selection

At Under 15 level we recognise that it may not always be in the best interests of a successful team culture to equalise game time. We expect our team to be competitive and wish to give our players the opportunity to experience the thrill of winning. To this end the coach may nominate a core group of players (generally final year players) who are critical to team structure and competitiveness. It is likely that these players will enjoy greater game time during the season than players not in the core group. It is still anticipated that players in the core group will be rostered off for games and spend time on the interchange bench during the season. There will be an underlying objective to share and maximise playing time for all players.

Players are expected to train on Tuesday and Thursday evenings from 5:00pm.

Players that have school football commitments are expected to train once per week with the club during periods of time where school football prevents them from being considered for selection in the team. To be considered for selection in the team, the player must train twice in the week leading up to the game.

Players that have commitments with the Central District Football Club are expected to communicate regularly with the coaching staff and must train on the Thursday night prior to the game to be considered for selection in the team (the exception to this is when the player is required to train at Central District Football Club, but is subsequently named as an emergency).

Any player unable to train as a result of an injury is still expected to attend training unless otherwise directed by the coaching staff, head trainer or doctor, in order to receive treatment and support team-mates.

The coaching staff will keep accurate training attendance and game time records to assist with the team selection process.

Players who have the ability may be made available for selection at Under 17½ level, subject to parent/guardian consent if required. It will be ensured that players that are promoted to Under 17½ level will play a minimum of three games at Under 15 level in order to qualify to play in the finals.

Players returning from a major injury or head injury must present a doctor's certificate or written approval from a parent/guardian to the head trainer in order to be considered for team selection.

Subject to training attendance and attitude all players will play enough games to be eligible to participate in the finals.

For the final two minor round games and finals, team selection will be based on merit, taking into account training attendance, playing performance throughout the season and attitude.

Sponsorship

South Gawler Football Club offers businesses and individuals the opportunity to become one of our partners and be a part of one of the community's and South Australia's most successful sporting clubs. Est. in 1889 the club has a proud heritage with many SANFL & AFL players commencing as juniors with South Gawler.

Sponsorship makes a difference to not only the community as a whole but establishes the best opportunities for our young generation. We all know how vulnerable young minds can be and how important it is to guide out children in the right direction. Sport is definitely one of those opportunities to provide education in a fun and healthy way.

Physical activity and team sportsmanship is imperative in the growth of young adults and children alike and making them as welcome and motivated as possible is our aim. South Gawler Football Club helps to promote a great learning environment for young men and women, teaching the benefits of teamwork, leadership qualities as well as commitment and dedication. The SGFC management team is delighted to announce the introduction of a new gymnasium from 2011 housed in the squash centre. The SGFC has also achieved level 3 Good Sports Accreditation in 2012.

The club has new faces on the expanded management committee and we are expecting a very exciting football season ahead with the continuing support of our major sponsors in **Denron Metals**, **Lend Lease & Format Homes** see our website for our current sponsors & contacts.

Our seniors commenced training in December under the guidance of senior coach Scott Lee. players that featured in our 2011 U/17s premiership team also played A Grade football and with many of these players now graduating permanently to senior level, the number of home grown players representing our club within our senior teams will continue to grow.

Our club is very conscious of the need to provide our young players with a pathway to play senior football, whilst also increasing our playing depth by attracting quality new players to our club.

Partners are critical to our club's success and survival and we remind our sponsors that supporting the South Gawler Football Club contributes to the local community and a wide

range of sports and activities, not just football. In acknowledging the many demands placed on businesses we have developed a range of partnership packages which will provide exposure to the club, its members and the public, as well and providing considerable personal benefits. If you have any further queries or you know of a business who may be interested in supporting the Club through one of our Partnership Packages please do not hesitate to contact our President Gus Barker.

Club Membership - \$50 Adult, Junior \$25 (non playing) & Family 2A,2C \$120

Another great way to support the South Gawler Football Club is for Parents to become fully paid members themselves. Membership will give you benefits including – SGFC Hall Hire at half price – a saving of over \$150, Squash court hire at reduced rates. Respect by supporting your clubs success, once off payment covering winter and summer sports and having a say with voting rights at AGM, eligibility for Life Membership after 10 years, **Lions ROAR Club Supporters Group – \$250** A Social Group dedicated to on-field success and support, social gatherings throughout the year, ROAR Club Polo Shirt, and major mid year social function.
